1	Ticks the correct response	2.2a	R1	 <p>The graph shows a coordinate system with a horizontal axis labeled <math>x</math> and a vertical axis labeled <math>y</math>. A piecewise linear function is plotted, consisting of three segments: a horizontal line on the left, a line with a positive slope in the middle, and a line with a negative slope on the right. The label 'D' is placed at the end of the first segment.</p>
